Lisa Richmond leads all of Surgere's HR functions: benefits, payroll, employee engagement, compliance, compensation and talent. Lisa has deep expertise in benefits and wellness programs, payroll and employee engagement.

Lisa began in 2019 and has established HR practices through a rapid growth period, led the company's COVID-19 response and policies, expanded employee benefits including increased employer contributions to both insurance and 401k.

Previously, she was the senior manager of benefits and wellness programs at the YMCA of the USA where she played a key role during significant organization changes and expanded employee benefits and professional development programs.

Lisa holds a BA in Human Resource Management from Northern Illinois University. She is a member of the Society for Human Resource Management (SHRM).

Surgere is an industry pioneer leveraging IoT technology to revolutionize the supply chain. Surgere knows the challenges and has engineered innovative secure technology, patented software, and certified hardware to consistently deliver 99.9% data fidelity. Surgere expands visibility into the physical supply chain supporting many of the world's leading industries.
